A NOTE FROM THE FOUNDER:

Thank you so much for your interest in our program! It truly makes me so happy to see children playing and learning in nature and it is my greatest wish to offer the gift of nature to as many children as possible. This scholarship helps make that wish a reality!

Every day the Timber Creek family makes new friends and new connections that make me so proud of the community we are a part of. My hope is that we are able to foster a love and understanding for our earth, create stewardship for the future and make memories that last a lifetime! Welcome to my dream come true.....Welcome to TIMBER CREEK FARM AND FOREST.
